FREE PLANNING WORKSHEET

Craft Fair Pre-Booking Checklist

A conservative, numbers-first review to complete before you pay a non-refundable booth fee or build event inventory.

1	**Confirm the event**	Fit, traffic, rules, and total day cost
2	**Stress-test the numbers**	Break-even, hourly return, and downside
3	**Set the decision rule**	Write the conditions that make it a yes

Event fit and organizer checks

- [ ] The event's customer profile matches my products and price range.
- [ ] I found attendance information beyond the organizer's headline claim.
- [ ] I checked whether similar vendors are limited, curated, or oversupplied.
- [ ] The booth location, size, power, Wi-Fi, parking, and load-in rules are clear.
- [ ] Refund, cancellation, weather, insurance, permit, and tax rules are clear.
- [ ] I verified the organizer and payment instructions independently.

Cost completeness

- [ ] Booth and application fees
- [ ] Travel, mileage, parking, lodging, and food
- [ ] Display, signage, permits, insurance, and hired help
- [ ] Materials, packaging, waste, and card fees
- [ ] Preparation, travel, setup, selling, and teardown time

CONSERVATIVE FORECAST

Write the numbers before emotion takes over.

Use conservative estimates, exclude sales tax collected, and confirm current payment fees with your provider.

INPUT	YOUR ESTIMATE	LOWER-STRESS TEST
Booth fee	$ _____	$ _____
Other fixed event costs	$ _____	$ _____
Expected transactions	# _____	# _____
Average sale	$ _____	$ _____
Product cost per sale	$ _____	$ _____
Card-paid share	% _____	% _____
Card percentage fee	% _____	% _____
Fixed card fee	$ _____	$ _____
Total event hours	hrs _____	hrs _____
Target hourly pay	$ _____	$ _____

Decision outputs

Break-even sales	Expected profit	Effective hourly pay
_____	$ _____	$ _____
Sales for target pay	**Maximum acceptable booth fee**	**Decision date**
_____	$ _____	_____

DECISION RECORD

Decide with a written rule, not hope.

Complete this page before paying. Keep it, then compare the forecast with the real event result.

Event name _____

Event date _____

Organizer _____

Decision deadline _____

My minimum conditions for a YES

- ☐ Break-even requires no more than _____ transactions.
- ☐ Conservative expected profit is at least $_____.
- ☐ Conservative effective hourly pay is at least $_____.
- ☐ The event/customer fit evidence is strong enough to justify the risk.

Reasons this could underperform

_____

_____

_____

Final decision

☐ **BOOK IT** ☐ **PASS** ☐ **NEED MORE EVIDENCE**

After the event

Actual revenue	$ _____	**Actual event costs**	$ _____
Actual profit	$ _____	**Actual hourly pay**	$ _____
